

## KEVIN JONES

**Executive Dean  
Faculty of Science and Engineering  
University of Plymouth  
United Kingdom**

Professor [Kevin Jones](#) is Executive Dean of the Faculty of Science and Engineering at the University of Plymouth where he also leads the multidisciplinary Maritime Cyber Threats Research Group and is Principal Investigator for the [Cyber-SHIP Lab project](#). His presentation, at the 2021 Maritime Risk Symposium, will explore some realistic examples of cyber attacks on ships' systems, played out in the Cyber-SHIP lab.

As the Executive Dean of the Faculty of Science and Engineering at the University of Plymouth, Professor Jones is responsible for the Schools of Engineering, Computing & Mathematics, Biological & Marine Sciences, and Geography, Earth & Environmental Sciences. He holds a PhD in Computing Science from the University of Manchester, a MSc in Computation from the University of Oxford, and a BSc in Computer Science from the University of Reading. He is a Fellow of the IMARest, the IET and the BCS.
